THANKS AND ACKNOWLEDGEMENT

To All Donors and Volunteers of the Serve the People Brigade Cordillera Disaster Response Network:

This December, the spirit of giving continued to pour for the victims of the Typhoon Pepeng in the Cordillera. Your generous donations, hard-earned money, solidarity and spirit of volunteerism provided relief goods, first aid and medical missions; and significant assistance to road clearing and retrieval operations, benefiting a total of 5,990 families or 35,940 individuals in Baguio City and the provinces of Benguet (Atok, Itogon, Tublay, Kapangan, Bokod, Mankayan, Buguias, Tuba) and Mountain Province (Tadian, Betwagan, Bontoc, Besao, Sadanga, Natonin) and Ifugao (Tinoc) from October 9 to December. Total cash donations since October 9 has now reached P1,029,347.98, while donations in kind (food, clothing, shoes, kitchen utensils and other supplies) totals the amount of P1,848,061.00. Food-for-work was also provided for communities rehabilitating their roads, irrigation systems and stonewalls in the said provinces. Immediate relief was provided to the people of barangay Gumhang in Tinoc, Ifugao, who evacuated from their houses due to military operations in their community. Medical attention was provided for other Tinoc communities in partnership with the municipal health unit on November 17. Other services include community psycho-social processing and debriefing, including participatory protection assessment. The Brigade continues to conduct relief missions, medical missions, and support in the rehabilitation and reconstruction of houses, irrigation canals and rice fields in the above provinces, along with the processing of victimized communities. The information campaign on disaster preparedness, disaster management and climate change is a sustained component of our disaster response.

On behalf of the families who have benefited from the relief goods, clearing, rescue and retrieval operations in Baguio, Benguet, Mt. Province, Abra, Kalinga, Apayao and Ifugao
Serve the People Brigade, Cordillera Peoples Alliance and the Center for Development Programs in the Cordillera sincerely thanks:
